Worship in Praise
Depth of Mercy

1. What are some of the faulty assumptions this world (or even the church) have about Jesus?
2. Where in particular in Scripture would expose / correct each one you identified?
3. What are practical ways you might find out the particular faulty assumptions about Jesus that are held by one to whom you are talking?
4. What are good ways to "expose another's faulty heart" without giving the impression of arrogance or a judgmental spirit?

Parents: Children are always welcome to sit quietly in our Worship Together. If their activity or sounds begin to hinder the worship of others, we ask you escort them out in the spirit of Romans 12:10.

NAVIGATING THE CHURCH CENTER APP

Now that everyone is getting used to the new Church Center app it's time to start adding information to your profile. Adding your picture (and pictures for your children) is a great way to put names with faces as we strive to be intentional about loving one another and making connections. Once you are logged in to the app, click on the icon at the top right of the screen. Once there, click on your name, then select "household". You will be able to select each member of your household individually and add pictures for them. If you'd like to add a family picture for your household, follow the same instructions, but select "directory profile" and add a household photo. If you have any questions, please contact the BCO office.
