BRINGING GOD'S WORD TO LIFE

**May 14, 2023**

Older women likewise are to be reverent in behavior, not slanderers or slaves to much wine. They are to teach what is good, and so train the young women to love their husbands and children, to be self-controlled, pure, working at home, kind, and submissive to their own husbands, that the word of God may not be reviled.

~ Titus 2:3-5

The Wonderful Cross

1. What are some things you really appreciate about your own Mom? What did those things cost her?
2. Why is it so hard (yet so essential) to keep an eternal perspective in Mothering and Discipling? How about a battlefield perspective?
3. What would characterize a mom who is operating out of duty? What would change if she were operating out of delight?
4. How might those same truths apply to discipling fellow believers?
5. What principles for Mothering and Discipling can you find in 2 Cor 4:7-18?

Parents: Children are always welcome to sit quietly in our Worship Together. If their activity or sounds begin to hinder the worship of others, we ask you escort them out in the spirit of Romans 12:10.
