## ANNOUNCEMENTS

### BOOK OF THE QUARTER - EVANGELICALISM DIVIDED

Evangelicalism Divided by Iain Murray tracks the rise of ecumenical movements within the church between 1950-2000. The angst for unity with the 'broader church' during these years laid the foundation for much of what we see today. Reading this book will give a perspective that it has not 'always been this way' and motivate us to continue to contend for Gospel purity. One who knows their own history is one not enslaved to it. Steve Weir is the Elder contact if you have questions.

### CHURCH IN ACTION MARCH - CHILDREN'S MINISTRY

At BCO, we desire to bring the Word of God to life for all ages. In our children's ministry, we aim to supplement and support parents in the evangelism and discipleship of their children. Each Sunday we teach more than 120 children ages 3 to 6th grade from the *Generations of Grace* curriculum, which works through key passages of the whole Bible in a three year cycle. We strive to teach the Bible to these precious children in a way that is accessible and memorable. Praise the Lord for all the saints who make this ministry possible!
